Dear Jim,

I wanted to take time to write you a letter concerning the work you had done recently.

The porch work that I had you do was first rate. You are one of the last master craftsmen. I would be the first to tell you that I don't know much about construction, but what I do know is when someone takes pride in their workmanship. You were very diligent in making sure I was going to be satisfied with the final product. You don't find that much anymore. I appreciate your fine craftsmanship and look forward to recommending you whenever I can.

Sincerely,

Keith L. Sweltzer
